ENVIRONMENTAL POLICY

Robert Kukla Spedition UK Limited's business statement

Robert Kukla Spedition UK Limited is part of the German Robert Kukla Spedition Group and we have a commitment to provide services that are environmentally friendly, sustainable and innovative in the way we offer supply chain solutions. Contributing towards the United Nations Sustainable Development Goals(SDG), in particular SDG 13, climate change.

We are committed to reducing our environmental impact and continually improving our environmental performance as an integral part of our business strategy and operating methods, with regular review points.

Responsibility

We take our environmental responsibilities very seriously and our key performance indicators are based on delivering performance in compliance with environmental regulations and objectives. We are certified with the following, SQAS, AEO, ISO 9001:2008, ISO 14001:2004 and IFS.

Lynda Simms is responsible for ensuring that the environmental policy is implemented. However, all employees have a responsibility in their area to ensure that the aims and objectives of the policy are met.

We take steps both internally and externally to show our commitment to reducing our environmental impact. Below is a summary of our actions:

Internally	Actions
Waste management	<ul style="list-style-type: none">• We will reduce the amount of waste produced and recycle where possible.• We will prevent the release of pollutants that can cause environmental damage.
Office supplies	<ul style="list-style-type: none">• We will evaluate the environmental impact of any new products we intend to purchase.
Monitoring and improvement	<ul style="list-style-type: none">• We will continually improve and monitor environmental performance.
Maintenance and office cleaning	<ul style="list-style-type: none">• The cleaning materials we use will be checked to ensure it's as environmentally friendly as possible.
Energy	<ul style="list-style-type: none">• Lights and electrical equipment will be switched off when not in use and our heating will be adjusted with energy consumption in mind.
Our people	<ul style="list-style-type: none">• We will increase employee awareness through training.
